The ~~incommodious~~ ^{inconvenient} proposal by the Excise Commissioners for the appointment of a Shroff at the cost of the Shop keepers ~~is still~~ has not been sanctioned. Please see para 4 of Govt. Pro: No. 9838^(v) dated 2nd Dec 1892

21/9/93 as also para 3 of the Excise Commr's letter No. 3844 of 9th January/93.

The question for present consideration is, whether the appointment of a Deputy Shroff is necessary for the Bowringpet Taluk, in which the collections on account of amarak have increased. The same remarks apply to other Taluks which have equally contributed towards increase in the amarak revenue (which details are not available in this office).

Sir,

In forwarding herewith, copy of
letter No. $\frac{2605}{1701}$, dated $\frac{22^{nd}}{23^{rd}}$ instant, from
the Deputy Commissioner, Kolar District,
I have the honor to state that under
the circumstances therein represented,
the appointment of a Deputy Shroff is
absolutely required for the Bowringpet
Taluk, more particularly to receive the
still-head duty from the Separate shop-
keepers of the Gold Fields, who make pay-
ments into the Treasury daily, and very
often more than once each day. For the
"Separate" shops at the Bangalore city

3

and Mysore town such Shroffs have already been appointed on Rs 9 per mensem, at the cost of the shopkeepers who have agreed to pay it. A similar arrangement could have been made if the modifications proposed to the Arrack Rules in this office letter No. $\frac{3844}{224}$, dated 9th January 1893, had been published by Government before the sales took place in the Holar District which, in that case, would have been held on condition of the shopkeepers contributing towards the pay of the Shroff. The amount of rental realized by the sale of the 'separate' shops of the Gold fields for the 15 months from 1st April 1893 to 30th June 1894 is Rs 29,145, against Rs 11,540 from 1st April 1892 to 31st March 1893. Under such circumstances I beg to recommend the appointment of a Deputy Shroff at the cost of Government

pay may be fixed at Rs 9 as at

Sir,

I have the honor to state that the Amildar of Bowringpet Taluk has been repeatedly bringing to notice that his establishment in the Cash department is very limited, and with it, he is not able to cope with the work devolving on him on account of the increased Cash transactions consequent on the large abkari revenue which is to be collected and paid into the Treasury. 2. A careful examination of the Treasury transactions for the last 9 months exhibits that the collections under "arrack" alone amount to about

about Rupees 17000/- per mensem on an average and the work will be much heavier during the ensuing 15 months in proportion to the large amount realized in the Sale of Vend Farms and independent shops as well as the duty to be collected on liquors and cannot possibly be managed by one Shroff without causing delay and inconvenience to the Vend Farmers &c.

3. It therefore seems to me necessary to appoint a deputy Shroff on a pay of Rs 12 per month as a temporary measure, he being required to furnish a security in the sum of Rupees 300.

4. As the independent shops have fetched a very high amount of revenue it is unfair to expect the Shopkeepers to bear any additional charge to meet the deputy Shroff's pay.

5. I would therefore request that you will be good enough to obtain Government sanction for the entertainment of an additional hand as proposed above, his pay being debitable to Excise

Sir,

In reply to your docket N^o $\frac{1362}{227}$
dated $\frac{20^{th}}{22^{nd}}$ instant I have the honor to
state that the Separate Shopkeepers in
the towns of Bangalore and Mysore
have agreed to contribute towards the
pay of the additional Shroffs, and
accordingly they have been appointed for
their convenience on Rs 9 per mensem
which is paid by them every month.
The additional shroffs of the Bangalore
and Mysore towns attend the local

they permit the money collected to the ¹⁴ respective Taluk Treasuries. They have deposited as securities Rs. 500 each. The Amildars concerned are held responsible for the Shroffs correctly permitting the collections to the Treasuries. The limited Chellans serve as vouchers for such collections.

There being separate shops in the Bowringpett taluk, similar to those in the towns of Bangalore and Mysore, the necessity for an additional shop is felt. The appointment of an additional shroff in the Bowringpett taluk will not necessitate a similar arrangement elsewhere, as no such shops exist anywhere else.

3. The Deputy Commissioner, Holet District, states that the Separate Shops in the Bowringpett taluk have fetched a very high amount (namely Rs 29,145 for 15 months from 1st April 1893 to 30th June 1894, against Rs 11,540 for 12 months from 1st April 1892 to 31st March 1893), and that it is

is therefore unfair to expect the
separate shopkeepers to bear the¹⁵ the
cost of the additional shroff's pay

4. Under such circumstances,
I have recommended to Govern-
=ment the appointment of a ~~tenure~~
shroff on Rs 9 per mensem, at the
cost of Government up to 30th June 1894.
From 1st July 1894 the shops may be
sold on condition that the purchasers
shall pay for the cost of the shroff
appointed for their convenience.
